

# Ashton A. Westrick

---

## Professional Summary

I am a high school student with a passion for technology and creation. I have experience with leading and communication with children as well as an adept understanding of programming and video game development. I am also willing to learn any languages required for any project and can do so swiftly.

## SKILLS

- Adept with the Unity game engine
- Communicating ideas with a younger audience
- Problem solving
- Small team management
- Organizational Skills

## EXPERIENCE

### **St. John Neumann Catholic Church, Sunbury Ohio** – *SALT Leadership Team*

#### **April 2015 – PRESENT**

- Worked with kids grades 5-8 in multiple different events ranging from summer camps to one night events. Responsibilities include: giving short talks, organizing and leading activities and games, and heading small group discussions.

### **Delaware Area Career Center South Campus, Delaware Ohio** – *Manager Of Lost Animations Video Game Design Team*

#### **November 2018 – January 2019**

- Ensured the cohesion of a small game design team in a national competition, I created plans to keep production smooth and kept the rest of the team on task. I also proofread the team's code and communicated with judges to assure our game's quality.

### **Delaware Area Career Center South Campus** – *Delaware Area Career Center Ambassador*

#### **April 2019 – Present**

- Toured local school districts and interacted with both potential students and parents, explaining what the career center is and sharing my experience there.
